Problem Statements Identifying Student Learning Needs

Problem Statement 1 (Prioritized): Emergent bilingual students need improvement in literacy in order to demonstrate academic improvement and growth on TELPAS and STAAR exams. **Root Cause:** Students face language barriers and lack foundational literacy skills such as decoding, fluency, vocabulary, comprehension.

Problem Statement 2: Students in the special education program in all grade levels are struggling to pass their STAAR assessments at the same rate as general education students. **Root Cause:** There is a learning gap between the required knowledge to be successful and their cognitive ability. STAAR Curriculum is not aligned to their learning level.

Problem Statement 3 (Prioritized): There is a need for more students to pass their STAAR exams and demonstrate academic growth in the area in which they failed. **Root Cause:** HB4545 mandates students receive 30 hours of accelerated instruction in the subject area in which they failed.

School Processes & Programs

School Processes & Programs Summary

In the fine arts department, Central Middle School offers band, orchestra, choir, folkloric dance, art and theatre arts classes. Central Middle School students can compete in UIL events based on either academic and athletic programs. Students may participate in advanced academic classes such as Digital Design, Digital Communication, Digital Arts and Animation, English I, and Algebra I if they meet the criteria. Eighth grade students can also take Spanish I and earn high school credit. The following sports are offered to 7th and 8th grade students: soccer, basketball, volleyball, softball, baseball, football, tennis, swimming, and golf.

Central Middle School students are scheduled into four core area and three elective classes. Classes are 55 minutes in length. The core subject area teachers meet twice a week for department planning staff development and twice a month for a technology staff development. Each teacher also has a conference period that is utilized to work on lesson and assessment design, analyze data, examine instructional strategies to improve student performance. Central Middle School teachers use a wide array of technology in the classroom. Our campus is one to one campus, providing every student with a Chromebook to enhance learning. Students are able to bring and utilize their own electronic devices. They are able to access the Internet throughout the building. Classroom teachers are able to determine the use of the student devices in their classrooms. Technology found at Central Middle School include teacher-issued laptops, desktops for classroom, Chrome books for staff and student use. Central Middle School has two Instructional Coaches that provides technology support and technology staff development.

School Processes & Programs Strengths

- Core teachers meet in grade level meetings once a week to plan and develop common formative and summative assessments, lesson design, interventions and data analysis.
- Teachers implement best practice instructional strategies to increase student engagement.
- Teachers compile data binders to increase student performance.
- Teachers and students have a wide array of technology available.
- Chromebooks are provided to each student to take home and bring to school for the year which leads to wider technology access and educational implementation of technology.
- Consistent replacement of technology ensures access to up-to-date hardware and software for educational purposes.
- Vertical alignment is present in core subjects.
- Teachers implement the use of TEKS resource system and follow the scope and sequence and Year at a Glance and the Instructional Focus Development Plan.
- English I, Algebra I, Geometry and Spanish I are advanced courses available to 8th grade students who meet the criteria.

Perceptions

Perceptions Summary

Central Middle School teachers and staff are treated to a monthly social which promotes a positive culture and climate. The teachers receive goodies and treats for a week during Teacher Appreciation Week. In addition, Central Middle School spotlights counselors, social worker, nurses, librarian and instructional coaches during their respective day/week or month.

Central Middle School students have the opportunity to being selected as a "student of the month" within their team. Benchmark celebrations are held to recognize students who earn the meets or masters designation on their benchmark exams. The students that earn Latin Honors criteria participate in the end of the year awards assembly. In addition, students can participate in Author's wall and Wednesday Writing, which if selected, publishes the students' writing by displaying it on a bulletin board. All of these celebrations and/or awards promote a positive culture and climate at school.

An end of year sports assembly, to recognize athletes and their accomplishments. The campus librarian highlights both staff and student for participation in various spirit and themed events. Pizza parties are also provided for classrooms that had the most participation in various events held throughout the year. Families who donate uniforms to those in need on campus are also rewarded.

This year Central Middle School has updated the school schedule to include a daily 40 minute advisory period. During this time teachers are able to make meaningful connections with their students and discuss social emotional issues, character education, set academic goals, and provide motivational lessons to better equip students for success.
